

PLEASE READ THIS ENTIRE DOCUMENT!

Mandatory dress rehearsals for all **Twinkle, Primary, C and Tumbling classes** will be held in our regular classes the week of June 9th through June 14th. These dancers are required to be in costume, tights, hair and makeup at these in-class dress rehearsals.

Twinkle dancers will only have in-class dress rehearsals and are not scheduled for LPAC theater dress rehearsals. **For all other dancers, check the Studio dress rehearsal and LPAC dress rehearsal links for days/times.**

As usual, there was a \$25 media fee per family added to your account and charged on April 14th. The media fee covers programs, recital medals and our professional videographer. You will receive the link to all your recital shows two weeks after the events.

We know that many families have dancers in multiple shows. After much consideration we did our very best. The number and ages of cast members backstage per show and the seats/tickets available for each show are our primary criteria. With safety protocol and seat/ticket limitations in mind we created our wonderful “Big Screens & Broadway” 2025 recital shows.

You are sure to enjoy the performances!!!!
