

PLEASE READ THE ENTIRE DOCUMENT!

Mandatory dress rehearsals will be held in all regular classes the week of June 5th through June 10th. All dancers are required to be in costume, tights, hair and makeup at these class dress rehearsals.

Twinkle dancers will only have in-studio dress rehearsals and are not scheduled for theater dress rehearsals. For all other dancers check the EPAC dress rehearsal links for your scheduled theater dress rehearsal times.

There will be a \$25 media fee per family added to your account and charged on May 1st. The media fee covers programs, recital medals and our professional videographer. You will receive the link to all your recital shows after the event.

We know that many families have dancers in multiple shows. After much consideration we did our very best. The number and ages of cast members backstage per show and the seats/tickets available for each show became our primary criteria. With safety protocol and seat/ticket limitations in mind we created our wonderful “Animation” 2023 recital shows. You are sure to enjoy the performances!!!!
